# OUR STORY

---

Established in 1969, Bhandari Marble is the sole miner of white marble in India. It is one of India's most revered and trusted names in the Marble and Stone world. The Journey started in Marble City Kishangarh that has a history of marble trading. The city is now known as a hub of marble traders.

A familiar name in the city's history is that of Shri Roopchand Bhandari who is the torchbearer of immense knowledge of Marble and Stone. He discovered one of the best Indian marble and gave it the name 'INDIAN STATURIO MARBLE' AND 'INDO ITALIAN MARBLE.' These two are exclusively available at 'BHANDARI MARBLE GROUP' and 'THE INFINITY.' Their quality is one of the best that can be found and all other aspects of the stone are amazing as well.

He proved to the world, that India's rich resources are a boon. India especially has the finest mineral deposit in the world and thus the finest stone quality can be found here.
